About Me

I am 26 years old. I have 3+ years experience in Frontend Development especially React.js and Next.js. I describe myself as a JavaScript developer, not a framework developer. I like to try and learn new technologies. I'm a self-taught learner. I'm passionate about my work. Because I love what I do. I have a steady source of motivation that drives me to do my best.

Experience

Frontend Developer | Full-time

Sodexo | Nov 2022 ● Present

- Projects: sodexoavantaj.com | Sodexo Mobile App | Sodexo Cep Pos App

- Technologies: React Native, React.js, JavaScript, TypeScript, Redux, Tailwind Css, Material UI

- Contributions: I am working on a back office web application used by Sodexo call center users. I'm also developing the Sodexo Mobile App and Sodexo Cep Pos App with React Native.
